National General Certificate in Occupational Health and Safety

National Examination Board in Occupational Safety and Health (NEBOSH)

Introduction

The NEBOSH National General Certificate is aimed at those with health and safety responsibilities (e.g. managers, supervisors and employee representatives) to enable them to more effectively discharge their organisational duties and functions.

The NEBOSH certificate is one of the most recognised qualifications in the health and safety profession.

The National General Certificate is accepted by IOSH to meet the academic requirements for Technical Membership of IOSH (Tech IOSH), and associate membership of the International Institute of Risk and Safety Management (IIRSM).

Duration: 11 Days
Cost: £1250 + VAT

Certification:
2 Exams + written practical

Venues across the UK
Also available by Distance Learning

...supporting the safety of your future!

Course Overview

The course provides a solid foundation in health and safety, covering 13 modules comprising:

Unit 1 : Management of Health & Safety

- Element 1 – Foundations in Health & Safety
- Element 2 – Health and Safety Management Systems – Policy
- Element 3 – Health and Safety Management Systems – Organising
- Element 4 – Health and Safety Management Systems – Planning
- Element 5 – Health and Safety Management Systems – Monitoring, Review and Audit

Unit 2 : Controlling Workplace Hazards

- Element 1 – Workplace Hazards and Risk Controls
- Element 2 – Transport Hazards and Risk Controls
- Element 3 – Musculoskeletal Hazards and Risk Controls
- Element 4 – Work Equipment Hazards and Risk Controls
- Element 5 – Electrical Safety
